Important--You need to contact the carriers that you have selected to give them your telephone information, set up billing & arrange for discount calling plans.

Updated 4/19/07

Dear DTE subscriber:

Dubois Telephone Exchange regrets that it will no longer be able to contact its subscribers to verify requests from long distance companies to switch long distance service.

In order to protect you, our customer, from slamming, DTE **strongly recommends** that you complete and sign the Preferred Carrier Freeze Form below.

If there is a “freeze” on your telephone number, DTE can only change the carrier by either a verbal or written request from you.

The FCC in a section of its new anti-slamming rules prohibits local exchange carriers from obtaining verification for long distance carrier change requests. It considers that type of contact as unreasonable & discriminatory.

PREFERRED CARRIER FREEZE FORM

My preferred long distance carrier is: _____.

Do NOT switch me to any other long distance company unless I provide written or verbal authorization to do so.
